## AGREEMENT

This Agreement is made on the 21st day of June, 1982 between the Himachal Pradesh State Electricity Board having its headquarters at Simla as statutory body incorporated under the provision of the Electricity (Supply) Act, 1948 (Act No. LIV of 1948) through Shri Kailash Chand, Chairman, Himachal Pradesh State Electricity Board (hereinafter called "the company" which expression shall, unless the context otherwise required, include his successors in office and assignees) of the one part and the Governor of Himachal Pradesh, through the Secretary (MPP & Power) Government of Himachal Pradesh (hereinafter called "the Governor" which expression shall, unless the context otherwise require, include his successors in office and assignees) of the other part.

Whereas for the purpose of the construction of office building and residential buildings & 66 KV sub-station, Tehsil and District Una the company has applied to the Government of Himachal Pradesh for the Acquisition under the provisions of the Land Acquisition Act, 1894 for the piece of land containing areas 55 Kanal 16 Marla as per detail noted in the specification below, situated in the Village Barolian Khurd, Tehsil and District Una and more particularly described in the schedule hereto and delineated in the plan hereunto annexed;

And whereas the said Government of Himachal Pradesh being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to public, has consented to acquire on behalf of the company, the piece of land hereinbefore described;

And whereas the said Government of Himachal Pradesh has required the company under the provision of section 41, of the above-mentioned Act, to enter into the Agreement with the Governor hereinafter contained;

Now this indenture witnesseth that it is hereby agreed and declared as follows:—

1. On Demand that company shall and will pay to the said Government all and every amount in lieu of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894 or by court or courts to which an appeal from the award of the said court may be preferred and all costs, charges and expenses of the proceeding in the aforesaid courts or otherwise incidental of the proposed acquisition payable in respect thereof under the provisions of the said Act.
2. On demand made by the said Collector the obligations of the company under the last preceding clause not being thereby limited, the company

shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the company of all demands under the foregoing first clause, or in the discretion of the said Government (on deposit by the company of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the above-mentioned Act, the Government shall make over possession of the said land to the company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the company.
4. The said land shall be held by the company for the purpose of such as construction of office and residential building & 66 KV sub-station at Barolian Khurd, Tehsil and District Una as is hereinbefore mentioned and without the sanction in writing of the said Government first had and land shall be used for no other purpose whatsoever.
5. The construction of office, residential buildings & 66 KV sub-station at Barolian Khurd mentioned below shall be completed (and fully equipped in all respects ready for use) within minimum period of 3 years from the date on which possession of the said land shall have been given to the company.
6. Should the said office, residential buildings and 66 KV sub-station not be completed (and fully equipped in all respects ready for use) within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government or should the said land at any time thereafter cease for a period of six consecutive months to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case, the said Government may summarily re-enter upon and take possession of the said land together with all buildings and sub-station thereon whether such buildings and sub-station were constructed before or after the transfer of the land to the company, and thereupon the interest of the company in the said land, buildings and sub-station shall absolutely cease and determine.
7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings and sub-station as it may think proper:—
  - (i) Should the said Government sell the land with buildings and sub-station the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the company.
  - (ii) Should the said Government decide not to sell the land with building and sub-station thereon in which case the Government shall repay to the company the market value as on the day of re-entry of all the building and sub-station constructed by the company and all sums received from the company in respect of all and every amount as provided in the foregoing first clause (less the statutory allowance of 15% and less any amount received on account of trees and
